OF UTAH COUNTY

**HELPING LOW-INCOME
HOMEOWNERS MAKE
NEEDED REPAIRS TO
THEIR HOMES**

"It is more blessed
to give than to receive."

SERVICES WE PROVIDE TO UTAH COUNTY HOMEOWNERS

ENCOURAGEMENT PROJECTS

- Small, 1-day outdoor clean-up, yard work, or repair projects.
- Free to the homeowner.
- Requires no written application.
- Call or email Fuller to describe your project.

GREATER BLESSING PROJECTS

- Larger repairs costing up to \$5,000.
- Most labor and materials will be donated.
- Any materials that must be purchased will be obtained at the lowest price possible.
- The homeowners become full partners with Fuller, contributing "sweat equity" as they work on their home alongside the volunteers.
- When the project is complete, the homeowners slowly "pay forward" the cost of materials, all on burden-free terms the homeowners can afford, with zero interest.
- These "repayments" are then used to help another Utah County neighbor get the same hand-up.
- This gives partnering families the **greater blessing** of transforming from recipients of help into givers themselves.
- A written application and home visit are required.
- Contact Fuller to describe your project and receive the application.
