

HELP CREATE THE OREM TRANSPORTATION MASTER PLAN

- ▶ Orem is updating its Transportation Master Plan (TMP) and would like to hear your input on where transportation improvements are needed. We have set up a hotline, email, and interactive online map to collect your ideas.
- ▶ On the new website, www.oremtmp.com, you can geographically pinpoint an exact location on three interactive maps and comment where you would like to see specific transportation improvements.
- ▶ Each project will be prioritized based on the number of people it positively affects within the community.
- ▶ As the planning progresses, the study team will review concepts on priority projects and seek more public input to help build Orem's Transportation Master Plan. Once the plan is complete, the city will begin implementation.
- ▶ The interactive maps display current and planned projects for:
 - Roadway & Traffic Signals
 - Transit & Parking
 - Bike & Pedestrian Routes
- ▶ If you would like to share your ideas, concerns, or comments with a project representative, please call or email the team at [801-701-8890](tel:801-701-8890) or info@oremtmp.com

REINVESTING IN OREM'S UTILITY INFRASTRUCTURE

- Orem has enjoyed some of the lowest utility rates in the state for many years. Much like your house needs new roofing, plumbing, and appliances, the time has come to update Orem's infrastructure.
- An independent engineering firm has performed an in-depth analysis of Orem's drinking, storm, and waste water systems and found that there are major infrastructure issues that need immediate attention.
- The proposed plan is "pay-as-you-go" which will enable the city to complete these projects entirely **debt free**.
- To make the necessary improvements, utility bills need to increase an average of \$9.32 per month, each year, for the next 5 years.

Public meetings and open houses concerning this project will also be held to learn more about proposed rate increases.

The city will be sending you more detailed, utility rate-specific information about these projects as well as dates and times for meetings in the coming weeks.

OREM COMMUNITY GARDEN

Orem Community Hospital is sponsoring the first ever community garden in Orem. The garden is part of the hospital's mission to help Orem residents live well. Community members and organizations are invited to come learn more about this new project at an open house on May 15, from 11 am to 1 pm at the Orem Community Hospital.

Part of the community garden project will involve free classes on gardening, fitness and nutrition, as well as a Farmer's Market for local growers to come sell their produce. If you are interested in receiving future updates and information about Orem Community Garden, email communications@orem.org

SUMMERFEST 2015: DREAM BIG

Ryan Shupe of Ryan Shupe & the Rubberband has been named the Grand Marshall of Summerfest 2015. Thanks to Timpanogos Regional Hospital, Ryan and his band will perform a free concert on the evening of June 12th as part of the festivities.

Along with great music, there will be carnival rides, a baby contest, a car show, boutiques, the grand parade, great food, a fireworks show, and much more. Find out more at summerfest.orem.org

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

Agencies from across the county are coming together on April 11, from 9 am to 3 pm, at the Provo Towne Centre Mall to collect household chemicals and dispose of them properly.

Please bring household waste in containers less than 5 gallons. No commercial waste will be accepted. For a complete list of what will and will not be accepted, please visit orem.org and click on the hazardous waste collection day icon.

RUNNING FOR CITY COUNCIL IN 2015

There will be three city council seats up for election this year and every eligible candidate is encouraged to join the race.

Serving in public office is a rewarding experience as you make decisions that will shape and guide Orem for years to come.

The filing period to run begins Monday, June 1 and closes Monday, June 8. You can find all of the information you need to begin your campaign for city council, including eligibility requirements, and campaign rules by visiting elections.orem.org

GREEN WASTE RECYCLING

Spring is here. That means it's time to clean up the yard and give the scraps back to Mother Earth so she can do her thing. When you recycle your green waste, it is turned into compost that will be used to grow the next generation of local trees, flowers, and produce. Green waste is picked up every week from Mar. through Nov. Call 801.229.7275 to get started.

GREEN WASTE 101	
IN	OUT
• Leaves	• Rocks
• Weeds	• Dirt
• Lawn Clippings	• Concrete
• Tree Clippings	• Plastic & Glass
• Shrub Clippings	• Metal
• Wood Scraps	• Sod Scraps

RECYCLE AND SAVE

Over 75% of household waste is recyclable and signing up for recycling in Orem can save you some major coin. A recycling bin costs only \$3.05 per month, whereas a 2nd garbage bin costs \$9.50 per month. That's a savings of over \$77 a year! Call 801.229.7275 to start saving

JOIN THE MOVEMENT

3/5 of Orem households are participating in the recycling program.

Orem has been named a "Tree City, U.S.A" for 21 consecutive years by the Arbor Day Foundation. The city looks to repeat on April 26th.

The SCERA Park outdoor pool will open May 25th. Visit oremrecreation.com for programs, events, and prices.

A MESSAGE FROM THE CITY COUNCIL

POLICING WITH PURPOSE

Our society has a tendency to allow a single story of a police officer to dictate how we feel about law enforcement. As a City Council, we have been lucky enough to get to know many of the officers in the Orem Police Department. Often times, the good works of our officers go unnoticed. Do you mind if we take a minute to brag about a wonderful act done by some of our officers?

A few weeks ago, some of our officers responded to a domestic violence call which resulted an arrest. One parent was left home to care for the kids. Sgt. Bill Crook found out that the adult in the family was sleeping on the floor and the family was in dire need of a washer and dryer. Sgt. Crook rallied the troops and spent the next week trying to round up some of the things the family needed.

He was able to locate a brand new washer and dryer that were anonymously donated by a local woman and a bed from the Habitat for Humanity of Utah County. In addition, some city employees pitched in money to help.

We are not the only people recognizing our police department. A couple of months ago the Timpanogos High Student Council spent their afternoon down at the Orem Police Department to show their support for all of the department's hard work.

The day-to-day life of an officer can be stressful, and at times they have to be aggressive with criminals. However, we know that the officers Orem employs are good-hearted men and women who do their best to protect our great community. Next time you see an officer, be sure to thank them for being willing to sacrifice their life in order to protect yours.

We couldn't be more proud of our men and women in blue.

CENTER STREET LANE CLOSURES

Center Street from 400 W to State Street will be restricted at times to one traffic lane in each direction until June 5th due to a waterline construction project. Please consider using alternative routes.

ARE YOU SOCIAL?

Orem is too. The best way to stay up to date on events, news, & issues in Orem is to connect on social media.

VOL_NTEER 4 OREM

The city can't spell volunteer without "u." If you are looking for a Scout project, youth project, or just want to help make Orem better, contact Laura Bascom at lrbascom@orem.org
