

The new Orem City Hall has been built with no new taxes, no debt, and on budget. The project is nearing completion and we invite you to join us for a tour of the building on the evening of April 21, 22, or 23. We will have fun activities as part of the tours. Book your time at [orem.gov/cityhall](http://orem.gov/cityhall).

### Stay in the know with Orem's Emergency Alert System!

Orem uses a program called **Everbridge** to send critical alerts during emergencies like natural disasters or public safety threats.

Our Police, Fire, Public Works and Emergency teams can quickly notify specific areas—or the whole city—depending on the situation.

## Mayor's Message

Spring is a season of renewal—and here in Orem, it's also a time to prepare for another great year of making good things happen in Family City USA. As the weather warms up, we're rolling out major efforts, like the Spring Clean-Up, to help our neighborhoods really shine. It's the perfect time to refresh our homes and take pride in the community.

We're got plans to beautify State Street, turning it into a more attractive corridor. We're expanding public art to bring more community pride to everyday spaces. We're planting more trees and improving green space. We're hosting community service projects to give residents more opportunities to make a visible impact in their own neighborhoods. There's a place for everyone to pitch in and make Orem more beautiful.

## Items that may NOT be Placed in the Clean-Up Dumpsters

There are some things that can't be placed in the dumpsters, but here's what you can do with those things.

- Paint – must be dried out prior to disposal. Kitty litter or sawdust can be added to help dry out paint faster.
- Tires – haul directly to [North Pointe](#) (cost per tire) or check with your local tire shop
- Auto Parts & Batteries – [MCR Recycling](#)
- Electronics – [North Pointe](#) – Your free trash pass will cover the first \$11, then \$10 per additional item or [Best Buy](#) (\$25 per computer)
- Fluorescent Bulbs – [North Pointe](#) (\$.30 per foot) or Batteries Plus
- Refrigerators – [North Pointe](#) (\$15 per unit)
- Used Oil – [Orem Public Works](#) (up to 5 gallons) – Larger amounts to [Rock Canyon Oil](#) or [Emerald Recycling](#)
- Concrete (pieces thicker than 12 inches) – [North Pointe](#) – concrete, bricks, or rocks can be dumped in a special "clean-fill" area. The charge for a pure load of clean fill debris, equal to a level pickup load is \$12. Clean loads larger than a pickup size load are \$12 per ton. Concrete containing rebar is \$28.50 per ton. Any concrete 12" thick or larger cannot be accepted
- Mattresses – [North Pointe](#) (\$10 per mattress) – Your free trash pass will cover the first 2 mattresses
- Orem residents can take GREEN WASTE directly to the transfer station for FREE at any time.

## Orem Spring Clean-Up - Pass Expires 8 / 31 / 2025

Pass is good for up to 500 lbs of household trash. Loads should be stacked no higher than the sides of the vehicle bed or trailer. All loads must be covered as required by the transfer station. For larger loads, this pass will only cover the first \$11.00 of the station's fees and the user must pay the difference.

- Multiple dump passes CANNOT be combined to pay for larger loads
- No commercial construction/demolition materials accepted
