

NOTICE TO OREM UTILITY CUSTOMERS

2026
2027

UTILITY FUND TRANSFER

As required by Utah Code 10-6-135.5, this notice is being provided.

Each year, the City is required by law to purchase certain services from itself. It sounds strange, but this is how it works. Instead of using additional tax dollars to purchase the services, the State allows the City to transfer money between the water, sewer, storm water, street light, and general funds to cover the cost of those services, without raising taxes. Money is transferred between the various funds (as shown below) with an instantaneous back-and-forth transfer. Neither fund has a net increase or decrease.

These transfers are of funds which are not classified as an allocation of costs between funds. These amounts will not be repaid.

A public hearing will be held on June 9, 2026, at 6:00 p.m. in the City of Orem Council Chambers or by digital methods if necessary. The adoption of the Fiscal Year 2026-2027 budget will be the topic of the public hearing.

If you are interested in learning more about this process, please visit orem.gov/transfers.
